

DECORATIVE MEDIA

{ CRUSHED GLASS | GLASS DROPLETS | GLASS DROPS | FIBER ROCKS }

Empire offers most decorative media in packages to cover one square foot.

This packaging allows you greater flexibility to create the look that's right for your décor. This also allows you to mix colors, add accent colors, and even create patterns.

Just like our log sets and liners, our ceramic fiber rocks are hand painted to provide greater realism with just the right amount of variation in color and shape. Ceramic fiber rocks are lightweight and impervious to temperature changes.

Our **MEDIUM SIZE DECORATIVE ROCKS (11)** are available packaged to cover 1 square foot, while the smaller **ACCENT PEBBLES (12)** are packaged to cover in 1/2 square foot.

11.

12.

Before you select your decorative media, check the owner's manual for your burner or fireplace to determine the **CORRECT TYPE(S)** of decorative material, where it can be placed, and the square footage that can be covered.

Empire Comfort Systems is committed to continuous product improvement; specifications are subject to change without notice. Flame size, shape, and color will vary from photos. Our mantels feature natural veneers and hand-rubbed finishes – wood grain and color will vary. Adjust light levels and use "natural light" incandescent bulbs to enhance the dramatic look for your wooden mantel.
