

INSTALLATION INSTRUCTIONS AND OWNER'S MANUAL

INSTALLER:

Leave this manual with the appliance.

CONSUMER:

Retain this manual for future reference.

⚠ WARNING

If the information in these instructions are not followed exactly, a fire or explosion may result causing property damage, personal injury or loss of life.

- Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.
- **WHAT TO DO IF YOU SMELL GAS**
 - Do not try to light any appliance.
 - Do not touch any electrical switch; do not use any phone in your building.
 - Leave the building immediately.
 - Immediately call your gas supplier from a neighbor's phone. Follow the gas supplier's instructions.
 - If you cannot reach your gas supplier, call the fire department.
- Installation and service must be performed by a qualified installer, service agency or the gas supplier.

ROCK SET MODEL LR3236FF-1

DESCRIPTION

Rock Base	Decorative Rocks (Small)	Decorative Rocks (Large)	Decorative Sticks
Part No. 37696	Part No. 32781	Part No. 32780	Part No. 37636
			

CRUSHED GLASS & CERAMIC FIBER ROCK PLACEMENT

ATTENTION: The position of the crushed glass and ceramic fiber rocks is critical for the safe and clean operation of this fireplace. Sooting and other problems may result if the crushed glass and ceramic fiber rocks are not properly placed in the fireplace.

ROCK, EMBER AND CRUSHED GLASS PLACEMENT

1. Remove barrier screen and glass door on fireplace using instructions from the fireplace manual.
2. Place thin layer of crushed glass (sold separately) over the burner surface and cover as shown in **Figure 1**. One bag of crushed glass is sufficient on DVCC(32,36) models, and one and a half bags for DVCC42 models. Crushed glass may be anywhere on burner cover, modern cover, or burner except the rectangular ports and burner around the pilot. **See Figure 3**.
3. Place rock base (A) onto the burner (pins 1, 2 and 3). **See Figure 4**.

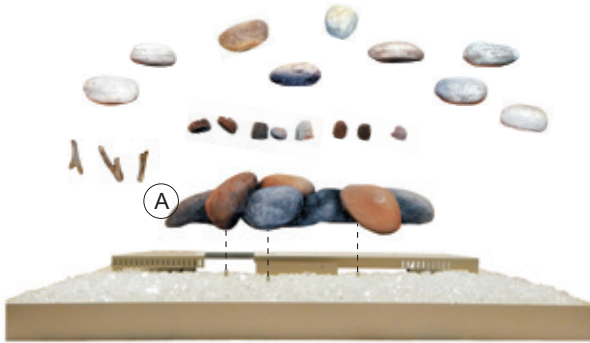

Figure 1

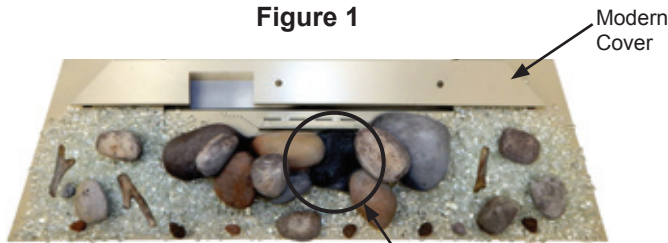

Figure 2

Do not place decorative rocks in this area.

4. Glowing embers included with the fireplace may be placed in small portions (dime size) over the round ports on the burner or area near the ports. Do not use glowing embers over the rectangular ports on the burner or area around the pilot. **See Figure 5**.
5. Place decorative rocks and sticks in areas on the burner cover or modern cover. Do not place them over any burner ports. **Figure 2** shows the location on rock base (A) that should remain open.
6. Replace glass door and barrier screen as indicated in fireplace manual.
