Boulevard 36-inch Linear Direct-Vent Fireplace with Black Porcelain Liner, Clear Crushed Glass, and Matte Black Trim

BEAUTIFUL, ELEGANT, EFFICIENT...

Your Boulevard fireplace will add value, ambiance, and warmth to your home.

The Boulevard 36 and 48 Direct-Vent fireplaces are designed with a fully-recessed burner to fill your fireplace with lively flames. Every Boulevard includes an electronic intermittent ignition system that eliminates the standing pilot to help you save energy and money. The system includes battery back-up located in a wall box for manual or remote operation. The remote allows you to switch to a standing pilot mode, which is recommended in cold climate conditions.
